LONDON, April 1, 2025 – **London Symphonia** is proud to present **Genevieve Fisher: Thank You Music!** featuring London's own Country star, **Genevieve Fisher**, in a wonderful evening of music that will include the premiere of her new single *Stopped Looking* and songs spanning her career from her impressive catalogue. **Scott Good, London Symphonia's Composer-In-Residence**, will conduct the orchestra in new orchestral arrangements of Genevieve's songs that he has created specifically for the concert. **(Saturday, May 3, 2025 at 7:30 p.m. at Metropolitan United in London ON.)**

"Every season **London Symphonia** invites one of Canada's singer-songwriters to join us for a unique concert experience that introduces their fans to familiar music with an orchestral twist," said **Andrew Chung, Artistic Producer of London Symphonia**.

“We have been wanting to collaborate on a Country music concert for some time and are thrilled to welcome **Genevieve Fisher** to our stage. We are also delighted that the St. Mary Choir (Grades 7 and 8) will be joining Genevieve, an alumna of the **St. Mary Choir & Orchestra School**, in performing three songs.”

An acclaimed Country singer-songwriter, Genevieve Fisher has earned nine top 50 hits on both Billboard’s BDS and Mediabase Canadian National Country Chart; seven Female Artist of the Year nominations; three number one hits on the North American Indigenous Music Countdown chart; and numerous nominations for Single of the Year and Songwriter of the Year at the Country Music Association of Ontario Music Awards.

Over the years she has developed a strong fan base. Her songs, made vivid by her remarkable voice, captivate from the first notes and immerse listeners in deeply personal emotions and experiences.

“Being born and raised in London, I’m incredibly excited to perform with London Symphonia,” said Genevieve Fisher. “We’ve prepared an amazing program showcasing music that has shaped my career—some of my most personal songs and some fan favorites along the way. I can’t wait to see everyone.

“The premiere of my new single *Stopped Looking*, co-written with my incredibly talented friends, Shantaia and Mallory Johnson, is the icing on the cake. *Stopped Looking* is inspired by the moment when I met my husband in 2011. It’s all about that moment when you realize you’ve found your person. While the song is rooted in my own experience, I want it to resonate with anyone who has that same love and connection.”
