

## HOW TO SELECT THE SEATS YOU WANT: RESERVED SUBSCRIPTION PACKAGES

### You have two Seat Selection Options:

1. The ticket buying software makes the selection for you.
2. You select your seats yourself.

When you go to buy your 7-concert, 5-concert, or 3-concert package, you will see a bright **green button** that says “**Best Available Seats for All.**” If you click on this button the ticket buying software will automatically choose your seat(s).

Get the best seats for all

Choose your same seats for all 

Choose different seats for each 

To the right of the concert images above you will see the **Seat Selection Options** heading in grey type.

To select your seats yourself, click on:

-  **1. Choose your same seats for all** to select the same seats for all the concerts you want to attend.
- or
-  **2. Choose different seats for each** to select different seats for each of the concerts you want to attend

Once you proceed, you will see a Seating Map. Click on the seat(s) that you wish to select.

Please note that it is easiest to view the seating map on a computer screen and not your cell phone or other device.
